Mistletoe Magic Continues!

Mistletoe sales have been phenomenal! So to all the families who participated in opening weekend ... give yourselves a big pat on the back for braving Black Friday weekend and ushering in the Christmas spirit to Collin County.

We anticipate sales will continue to do even better as the holidays approach. The addition of our new location at Allen Premium Outlets means we have even more opportunity to raise money for our Pack. Please remember – since we do not sell popcorn – this is our only fundraiser of the year. We are depending on each family who agreed to participate in fundraising to do their part.

What Does Your Part Mean?

- Each family should sign up for at least two sales slots. With the addition of Allen Premium Outlets, we may be asking you to join in more sales fun! If you have time, please consider signing up for additional sales sessions.
- Participate in a binding (or harvesting) session.

Don't forget to be prepared for the weather when you go to sell ... have gloves/hats if it's cold and some drinks/snacks in case you or the boys get thirsty.

Take That Training

Our training files are looking sparse. If you haven't taken YPT or your den-specific training please do so **NOW!** Don't forget that if you are a new leader you may need to attach your BSA number to your My Scouting online account to be credited for your training. If you do not take the required training, you will be dropped from our Cub Scout Pack roster so we can re-charter.

Plan Ahead: University of Scouting

University of Scouting is Jan 3, 2015 @ SMU. This is a fun opportunity to take supplemental classes that you choose. Go to <http://circleten.org/university-scouting> for more information.

Keep in mind that the Pack will reimburse you up to \$25 for training. Just fill out a [check request](#) and submit it to PJ Putnam.
