Fundraising

The Pack maintains itself through several fundraising projects during the Scouting year. The Pack Committee will decide on the type of fundraiser and how many will be held during the year. The monies raised by the Pack in the fundraisers are used to cover Pack expenses. These include advancement awards and Pack events as determined by the Pack Committee.

The Pack strongly encourages you and your Scout to participate in fundraising for several reasons:

- **Knowing they are paying their own way increases a Scout's self-esteem.**
- **It relieves parents from a substantial financial commitment.**
- **Your Scout will gain valuable practice in presenting in front of others.**

The Advancement Plan

The responsibility of advancement in Cub Scouting lies with the family. Some advancement requirements are done at den meetings, but many are done at home with their family. In the Webelos years the advancement shifts to training the youth into a more Scout-like environment.

Lion

Lion Scouts is a fun introduction to the Scouting program for kindergarten-age youth eager to get going! Lions do adventures with their adult partners and other Lions every month. This program introduces youth and their families to Scouting and the outdoors as it builds a foundation of character.

Bobcat

A child's first step after registering as a Cub Scout, regardless of their age, is to pass the Bobcat Requirements. They are:

- Learning to say the Scout Oath and the Scout Law
- Show the Cub Scout Sign, Handshake, and Salute.
- Say the Cub Scout Motto and explain what it means.
- Review "How to Protect Your Children from Child Abuse" with your child.

After receiving the Bobcat badge, each scout works on requirements based on their grade level.

Tiger

The Tiger program is for first-grade boys and girls and their adult partners. There are six Tiger adventures to complete and one elective. The Tiger, working with their parent, completes these six adventures to earn the Tiger rank. These requirements consist of an exciting series of indoor and outdoor activities just right for children in the first grade.

Wolf

The Wolf program is for kids who have completed 1st grade. To earn the Wolf badge, a scout must pass 6 adventure loop requirements and one elective. There are also optional electives that can be completed for additional adventure loops.

Bear

The Bear rank is for youth who have completed 2nd grade. There are 6 adventure loops for Bears to complete. These requirements are somewhat more difficult and challenging than those for Wolf rank.

Webelos

The final rank in Cub Scout is open to 4th and 5th graders. These dens are led by an adult Webelos leader. The scouts work on requirements for the Webelos badge and/or Arrow of Light. The Arrow of Light Award is the highest award that can be earned while in Cub Scouting.

Camping and other outdoor programs are an important part of the 18-month Webelos program. In February of a Webelos' fifth-grade year, they graduate from Cub Scouting into the adventure of Scouting at an impressive graduation ceremony. The purpose of the Webelos program is to prepare a Cub Scout for their Scouting experience. A well-run Webelos den will ease the transition and allow scouts to advance more quickly to the Tenderfoot rank in Scouts. Every child deserves an opportunity to be a Scout.
