**STEM—Science, Technology, Engineering and Mathematics**

STEM is part of an initiative the Boy Scouts of America has taken on to encourage the natural curiosity of youth members and their sense of wonder about these fields through existing programs. To support this initiative, the BSA developed the STEM Nova Awards program so that youth members have fun and receive recognition for their efforts.

Learn more at <https://www.scouting.org/stem-nova-awards/awards/cub-scout/>. Springtime is a great opportunity to explore the program with rank advancement mostly complete.

**NASA Overnight for Bears**

Our Bears traveled to NASA in March for an overnight experience to celebrate SPACE in 2021!

- S is for shared experiences.
- P is for parent-cub scout bonding.
- A is for adventure.
- C is for camping.
- E is for excitement.

Are you a Bear interested in attending?  
 Visit <https://spacecenter.org/education-programs/overnight-experiences/boy-scouts/>.

Available program dates include January 29, February 26, March 26, April 2 and June 25.

NASA is a highlight for every scout that has gone through the Pack 200 program. You do NOT want to miss it. Reach out to Erin (214.621.2583) and let's get the ball rolling!
